

Digioh Instructions for Adobe Campaign Integration

1. In your Adobe Account, locate Your API Key
2. In Digioh, click on "Integrations", select "Adobe Campaign" in the drop down
3. Enter in your API key
4. Select which list you'd like to push emails into
5. All set!

We can help you locate your API key and set this integration up for you for no extra cost. Please contact us at rishi@digioh.com - we are looking forward to working with you 😊
