**CANADA ORDERS**  
GlobalShopex, a trusted partner of AlcatelOneTouch.ca, is happy to provide you a hassle free and transparent shipping experience. When you prepay duties and taxes at the time of purchase, the amount of duties and taxes charged is guaranteed - This means that you will not be charged duties when you receive your order as you have already prepaid them. You authorize the shipper to act as a customs broker with the Customs and Revenue department in your local country to clear merchandise. Duties and taxes will automatically be charged to your order at checkout unless you opt out and choose to pay duties and taxes upon delivery. If you choose to pay duties and taxes upon delivery you will be responsible for any related charges when your order arrives in your country and contacted by the carrier to arrange payment.
